Office of the DD/S&T Briefings

TO: Mr. J. Maxey

SUBJECT:

REMARKS: Mr. McNamara has asked Dr. Alain Enthoven and his staff to examine the defense portion of the intelligence budget. John Bross is their contact in this building and is anxious that they hear of our work to put reconnaissance requirements on a sounder footing. Bross is thinking specifically of the swath width study, the photo interpreter experiments, etc. Mr. Trinkle of Enthoven's staff will be in the building on Thursday, 28 January at 10:45 to discuss these matters with several hours available.

You are assigned responsibility in arranging suitable briefings in coordination with John Bross.
